Dear Parents/Carers,

**Home Learning**

We have recently received inquiries about how to see all the homework set. Ms Coombs has provided the instructions below.

When you login as a child, you will see this:

![Image of myHomework Overview]

It looks like this child has only two pieces of homework but if you go to Status (left-hand side) and change it from 'This week' to 'All' you see this:
Remember that the homework is set by the class teacher, and the platforms used are secure. The teachers are also responding to your child’s comments shared on J 2 Launch and JIT. Some children have shared 148 comments with their teacher since the start of the Home Learning sessions.

Staff are adding relevant video clips to teach/remind the pupils about the key concepts, so please ensure that your child is watching the videos clips as well as completing the task.

Stay safe,

Sonia Potter
Headteacher
