Dear Parents/Carers,

I hope you and your families are well during this lockdown period.

I have recently been contacted by a group of NMP pupils who are missing their friends and educators, so they decided to create a video which I have uploaded onto our website. Please click here to access the video or log onto NMP News.

The NMP staff are creating a video as I type and this will be uploaded onto the website by next week.

In the meantime, if you would like to send a message to pupils and staff, please email your final footage through We Transfer to enquiries@nmp.croydon.sch.uk by Monday 11th May 2020.

Ms Jayakumar has found a book created for children to help deal with not going to school during the closure. The book has been uploaded onto our school website.

Mr Lawrence and Ms Coombs have suggested a YouTube daily live show that explores science and nature, which involves activities and fun facts. It’s called ‘Let’s Go Live with Maddie and Greg’. The link is on our school website.

Croydon’s SEND Information, Advice, Support Service (SENDIAS) have created a leaflet about the support they provide. I have uploaded the leaflet along with this week’s letter on our website onto NMP NEWS.

Croydon Council has also produced support and Guidance notes Parent/Carers about how to look after yourself and your children. I have uploaded the document onto our school website in the Coronavirus update site and NMP NEWS.

And remember: if you or your child feels ill and you want to know what to do next, please use NHS 111 online.

Thank you again for your continued support, and we will be in touch with more information when we can.

Yours truly,

Sonia Potter
Headteacher
