Dear Ms Glaze,

Thank You for Supporting the Hurricane Melissa Jamaica Relief Effort

On behalf of the Croydon BME Forum, I would like to extend our sincere thanks to the Norbury Manor Primary School community for the support shown towards the Hurricane Melissa Jamaica relief effort. The positive response from your staff, pupils, parents, and carers is greatly appreciated.

The contribution made by your school has helped to support families and communities in Jamaica as they continue to recover from the effects of Hurricane Melissa. Your involvement highlights a strong commitment to kindness, community action, and standing in solidarity with those affected.

Our team travelled to Jamaica in the week commencing 5th January 2026, where we began the distribution phase of the relief effort. Knowing that schools such as Norbury Manor Primary School were part of this wider initiative was both reassuring and motivating throughout the process.

Please pass on our thanks to everyone involved in supporting and coordinating this effort. The collective contribution of your school community has made a meaningful difference, and we are truly grateful.

You can follow our ongoing work and updates at www.cbmeforum.org

With warm regards and appreciation,

On behalf of the Croydon BME Forum
