Dear Parent,

This is your child's homework menu for this half term. Choose a day which is convenient for you to support your child with their homework. With your child, choose one activity box to dip into and do. Encourage your child to choose what they would like to do each week. We want all our children at Norbury Manor Primary to become independent learners. The children will get an opportunity to share their homework in class. Thank you for your support in continuing to make learning fun for your child.
